Summer 2016

IMPORTANT

June 9– Early Dismissal (12:30)

June 10—Last day of school—early dismissal (12:30)

MOTTO

I have been designed by God in a unique and special way for a specific purpose.

Dear Parents,

This year has been a great year and a year of new beginnings. First of all, this was the 41st year that Life Center Academy has been in existence and it was the beginning of the 2nd generation of the school. With this new beginning we welcomed our headmaster, Dr. Bryan Sanders and our elementary chaplain, Pastor Aaron Moore.

It is hard to believe this school year is over. The time has gone by fast, The children have worked very hard. Some of you have worked very hard also. LOL. The children have enjoyed many academic, social, spiritual, and physical activities. They have developed in all of these areas and have learned many new skills and are very

prepared for next year. I am so proud of all of their successes and achievements.

I want to thank Ursula Keane for all of the work and time she put into organizing the Teacher Appreciation Luncheon and for making it so nice for all of the teachers. Thank you to all of the parents who prepared the many delicious entrees and yummy desserts.

On behalf of all of the teachers, I want to say “Thank you”, Parents, for your overwhelming support this school year in backing us up in all of our endeavors to teach your children and provide them with a meaningful learning experience.

I personally want to say thank you to all parents, grandparents, and guardians who donated their time to help out with special activities this year like parties, field trips, special classroom event, field day, Chuck E. Cheese, box tops, book fairs, and the list goes on. Please accept my special thanks and know that you have been a blessing to all of us and you are very much appreciated. We would not be able to do all that we do without your help.

Here is something to take with you for the summer and meditate on. “For we are God’s workmanship, created in Christ Jesus to do good works, which God prepared in advance for us to do.” Ephesians 2:10

Since before we were born, God has had a unique plan for each of us. It is not a plan of failure, misery, poverty, sickness, and disease. God’s plan is a good plan, a plan for life and health, happiness, and fulfillment. In Jeremiah 29:11 we read, “For I know the

houghts and plans I have for you,” says the Lord, “plans to prosper you and not to harm you, plans to give you hope and a future.” Remind yourself every day that God has a good plan for your life.

Have a safe and blessed summer, and may God’s love and protection surround all of our wonderful LCA families.

“The Lord bless you and keep you; the Lord make his face shine upon you and be gracious to you; the Lord turn his face toward you and give you peace.” Numbers 6:24-26.

See you again in August.

Mrs. Zahorsky

Fabulous First Grade

Mrs. Gross

This school year seemed to fly by and we are sad to see your children go. At the same time, we are so proud of all of their progress and to know that they are ready for the challenges that 2nd grade will throw at them. We are thankful for the opportunities that God gave us to minister to the lives of your children every day. Have a wonderful summer and I hope to see you next year!!

Super Second Grade

Mrs. Tower

It has been a wonderful school year getting to know your students. I can’t wait to visit them in the 3rd grade class. Keep the learning flowing over the summer. The brain is a muscle which needs exercise too.

Cool Kindergarten

Ms. Cole

This school year has flown by.

Don't stop learning over the summer. Please review addition and subtraction facts, time and money. And don't forget to READ!

Students, don't forget to stop by and say "Hi!" when you are in 1st grade!

Have a SUPER summer!

Terrific Third Grade

Miss Correa

This has a been a great year! It has been a joy and privilege teaching each and every one of you! I truly believe God has something great for you all; just keep Him first, always. Don't let your books get dusty this summer, please keep practicing and reading for next year. Have a wonderful summer!!!

Faithful Fourth Grade

Ms. Graban

Thanks to my students and their parents for a wonderful school year. I have enjoyed our time together very much this year! Have a safe, fun-filled summer but be sure to review math so you will stay well prepared for 5th grade mathematics. See you in August!

Fearless Fifth Grade

Mrs. Benson

Greetings,

I can not believe the school year is over! I guess it's true when they say time flies when you're having fun.

I enjoyed this year very much. This fifth grade class has been a blessing to me. Throughout my illness, they have prayed for me every day, given me cards ,gifts, and candy (to keep my sugar up during my hyperbaric treatments).

They have encouraged me with Scripture as well. I would also like to thank the parents for their prayers and cards. May God bless you all. Have an awesome summer!!

Sensational Sixth Grade

Mrs. Zahorsky

It has been a pleasure getting to know your children this year and working with them. I can hardly believe this year is finished. And the sixth graders finished well!!!

We have worked hard this year, but we have had a lot of fun also – Spruce Lake, parties, special art projects, hot chocolate, special treats, etc. What a great time we had.

Thank you, Parents, for all of your help this year. And special thanks to all of the parents who chaperoned our Spruce Lake trip. You have all been a special blessing to me. I thank God for the privilege of teaching your children. Now they are going to take a new step...enter junior high school.

I wish you all a wonderful fun-filled and safe summer.

God bless you.

Music Notes

Sis. Wisniewski

This is it, school is over, and what an amazing year! It was such a privilege for me to teach music to the elementary grades, and we had so much fun. Your children have taught me just as much as I have taught them, and we made a lot of new discoveries together. Third grade flutophone class was only one of many new things we did this year, and I am already looking forward to the next school year (after a summer breather, of course!).

I will be seeing some of your children for private lessons this summer, and it will be great to continue with them. Please encourage daily practice – we're hoping to have another successful recital again next spring.

Thank you, parents, for all of your support and encouragement this past school year. I wish you all a relaxing summer with lots of family time and fun. May God richly bless and prosper you. Hope to see you again on Back to School Night!
