

# Need a higher SAT math score?

This **FUN** and **Motivating SAT MATH PREP CLASS**, to prepare you for the May 1, 2010, SAT (Scholastic Aptitude Test), is a **2-day, 10-hour course** that...

- teaches key mathematical concepts covered on the test;
- shows you the “pitfalls and distractions” intentionally built into the test, and how to overcome them;
- gives you actual SAT practice tests, with scoring;
- and shows you *how* to answer more questions in less time, *vital to improving your score!*
